## Convenor's Corner

Time flies when you 're having fun. It seems like only two weeks ago we had the H of G annual picnic. There were four families from the House of Gordon Virginia membership. My family was there to help me celebrate my 60th birthday. My son and his new daughter were there also. My wife and sister put on the special event for me.

The food was great. David and Lois Todd help prepare the meal. David's son, Aaron, played his bag pipes. It was a great day and the location was convenient for the many people who attended. We had members present from Fredericksburg and Williamsburg. Next year we will be in Northern Virginia. Check our website for more information.

It is hard to believe that we have attended 11 events this year. We went to Pa. and to Md. as well as Alexandria. We will be looking forward to the Richmond games by the time this news letter is printed. Our last event will be the Christmas Walk in old town Alexandria, Thur. - Sat. Dec 2 - 4. I hope to see a lot of you there. Please see our web site for more information.

The Williamsburg Festival was held near Jamestown Camp Grounds on Sept 25. This location is a lot better than the winery. The grounds were green and flat. Our tent space was great. Lu Gordon, our USA convenor, was present. We had a chance to meet the new Maryland convener, David Gordon. Many Gordon friends stopped by and showed an

**Morris Gordon, John Lowrey, Lu Gordon and Wendell Gordon at Grandfather Mtn.**

interest in joining our H of G. The "Highland Hut" was used, and I found the overnight stay very pleasant. We have used the RV to stay in at several events.

We drove the RV to the Radford Games at Radford University. There we met many Gordon friends and added one new member to our group. Dr. Jim Newman's mother was a Gordon. He is a faculty member at Radford. You should have seen his new kilt. He will help us next year at the tent site.

Overall we have had a great year. Our membership has increased; we have provided tent space for more events than in the past. Our treasury is in the black and I am looking forward to the new year, 2005. The board has some great ideas to work on, and all this will benefit the members. More on this plan will be discussed in future news letters.

The web site has won several awards and is getting better as it grows. Thanks to Lois Todd.

The Todd's son Aaron, has won several awards in bag pipe competition in Va, Pa, and Md. We re very proud of his efforts. We hope to get some our member's daughters involved in Highland Dancing competitions.

## **Richmond Games Open Saturday**

The 10th Annual Richmond Highland games and Celtic Festival caps off another exciting schedule of Scottish festivals held during the summer and fall months each year in Virginia this coming Saturday and Sunday next to the RIR Strawberry Hill Raceway at the State Fairgrounds.

The House of Gordon will again set up a clan tent to welcome all members and prospective members, along with offering our members and invited guests to join us for some tasty food and drink, along with our hospitality.

We will have crackers and cheese from the Stuarts Draft Cheese Shop, David Todd's famous James River style barbeque, veggies and dip fresh from Sallie and Ed Gordon farm near metropolitan Chula, Shenandoah iced tea and lemonade, and fresh fruit from Morris' orchard and berry farm.

All other members are encouraged to bring chips or crackers and dip or their favorite deserts to help feed the masses.

We will also have the annual House of Gordon membership meeting at 2 p.m. Saturday in the clan tent. Members should bring a folding chair if they plan to attend the meeting. If you have any new business you wish to bring up please call secretary Barbara Wray in the evening at 804-561-2362.

A word of warning, tickets this year will cost \$22 for adults so be sure to fill the wallet with plenty of greenbacks This does include free parking, however.

In any event, hope to see most of our old friends at the clan tent. I will be taking orders for H of G apparel from Shenandoah Tees for Christmas presents, in case you are interested in ordering mine early this year..

Here is the schedule for the weekend activities in case you want to catch some of the entertainment or the athletic or musical competition.
